From Pakistan to England and then settling in America, Wajid has lived an interesting and varied life in many fields of endeavor.

From a technical background as a Field Service Engineer, to stand up comedian with over twenty years as a union actor doing voice over, narration, commercials as well as TV and movie roles.

An avid hiker he managed to climb to the top of Holy Mount Kilimanjaro in 2006 Africa's highest mountain in Tanzania and a retreat of the Ascended Masters of this Planet.

In August of 2020 Wajid published his Amazon best selling book "The Struggle for World Sanity" incorporating many aspects of the teachings of the Aetherius Society generating a lot of interest with over a hundred Podcast interviews from around the world. (wajidauthor.com)

Wajid has been a full member of the Aetherius Society since 1977 encompassing over forty years experience in the field of metaphysics, healing, and spirituality. He was fortunate to have personally followed the founder and chairman of the Aetherius Society Dr. George King until His passing in 1997 and continues to promote His legacy and the teachings of the Cosmic Masters of this Solar System.
